Dear Customer:

Our records indicate you live within a municipality which requires an alarm use permit. This is a friendly reminder that it is your responsibility to obtain this permit. Most municipalities require that your application be received within 30 days of installation.

When you receive your permit, please login to the subscriber portal; go to Security and select "Emergency Dispatch Setup" and enter your permit number along with the expiration date at the bottom of the page.

Please contact your local municipality with any questions regarding this alarm use permit.

Thank you,

XFINITY Home Security Team
